PROFESSIONAL

Skill Sets and Experience

Unilever

Managed all brand sites and developed new event pages weekly to enhance consumer engagement around 2 years. I focused on creating clean UI designs, testing, publishing, and maintaining the sites without issues to make various online campaigns easily understandable for each brand.

Stonwell Financial

Worked on graphic design tasks, including website banner creation, customized icon design, and developing insurance product description pages.

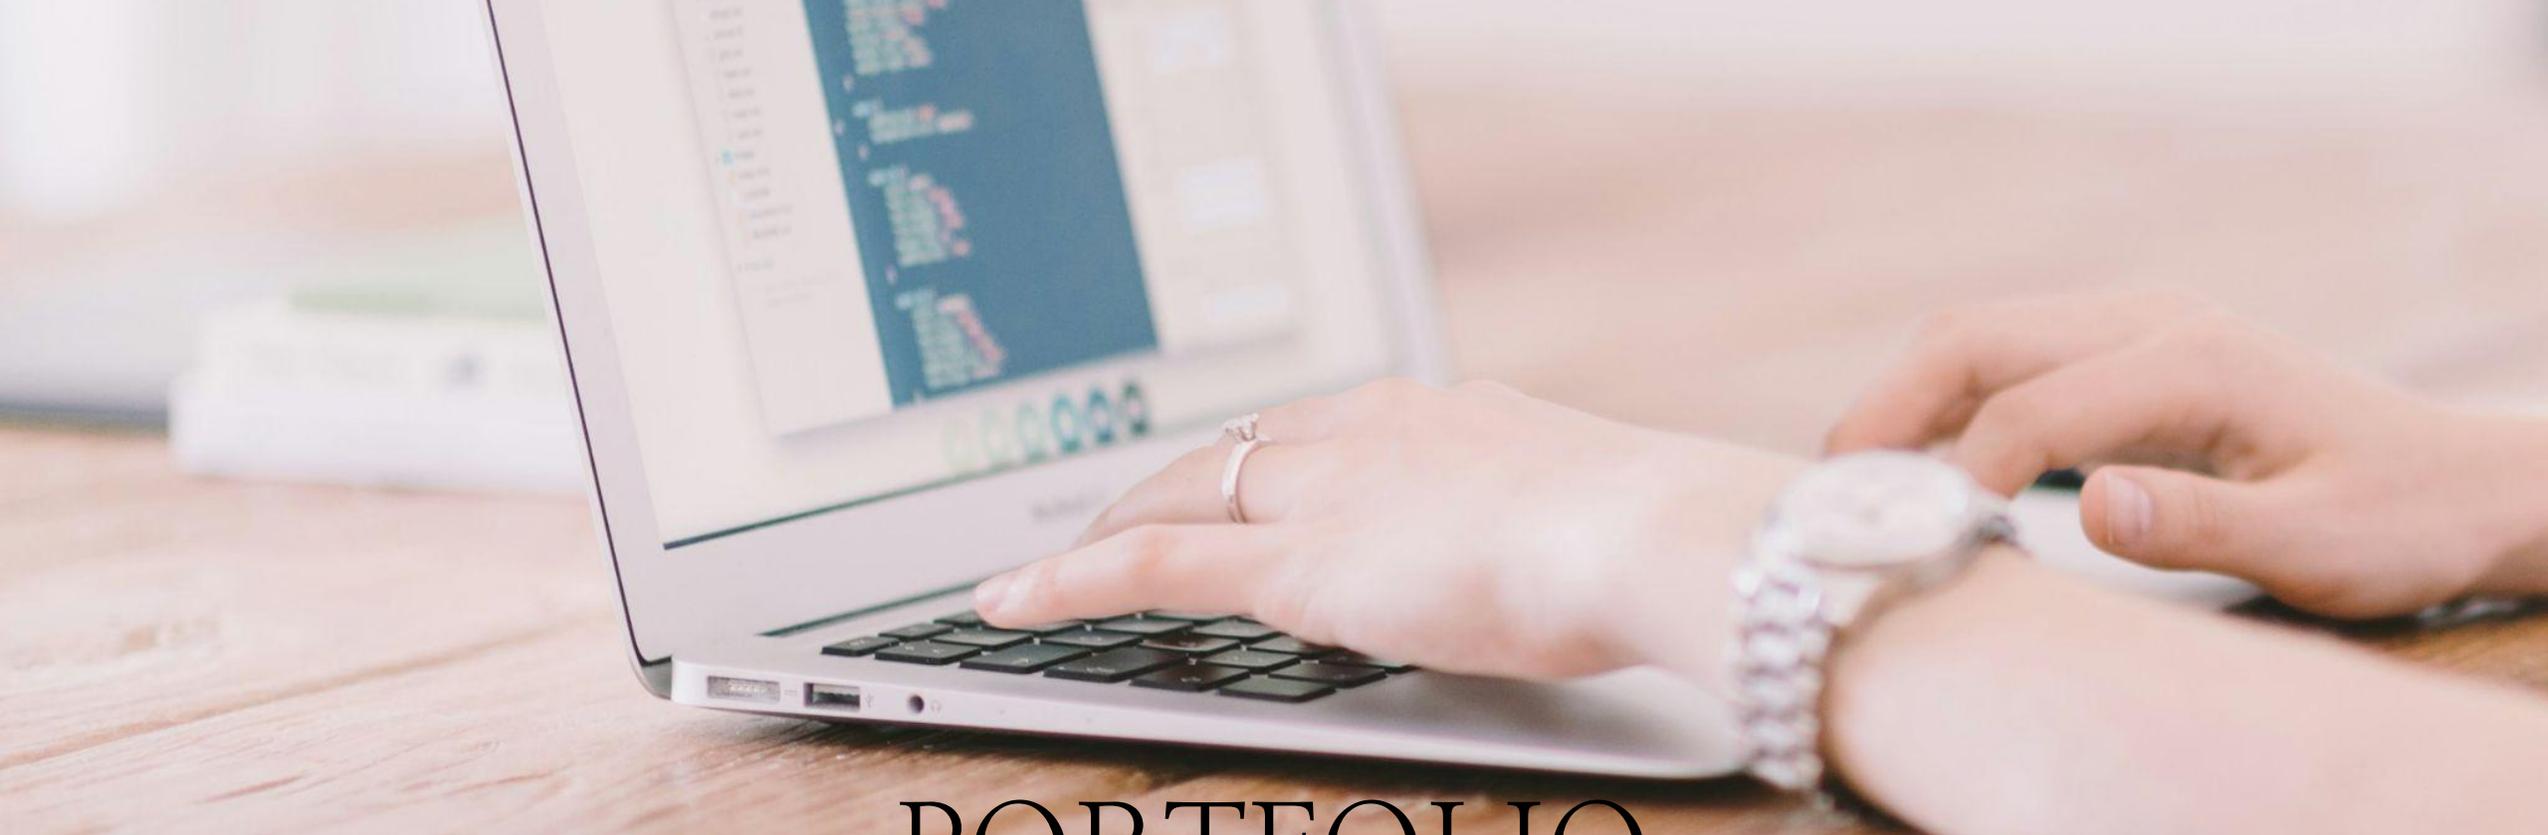

Arshon Technology

Migrated a site from Drupal to WordPress and developed the site with comprehensive branding. Additionally, I created an online store using Shopify and produced detailed images, blog thumbnails, and LinkedIn marketing visuals.

Clay

Participated in front-end development using React, implemented dashboard graphs, and worked on ID verification using the Stripe API.

With a range of freelance projects including menu design, image creation, and promotional banners, I bring diverse experience and skills to support your business's success.

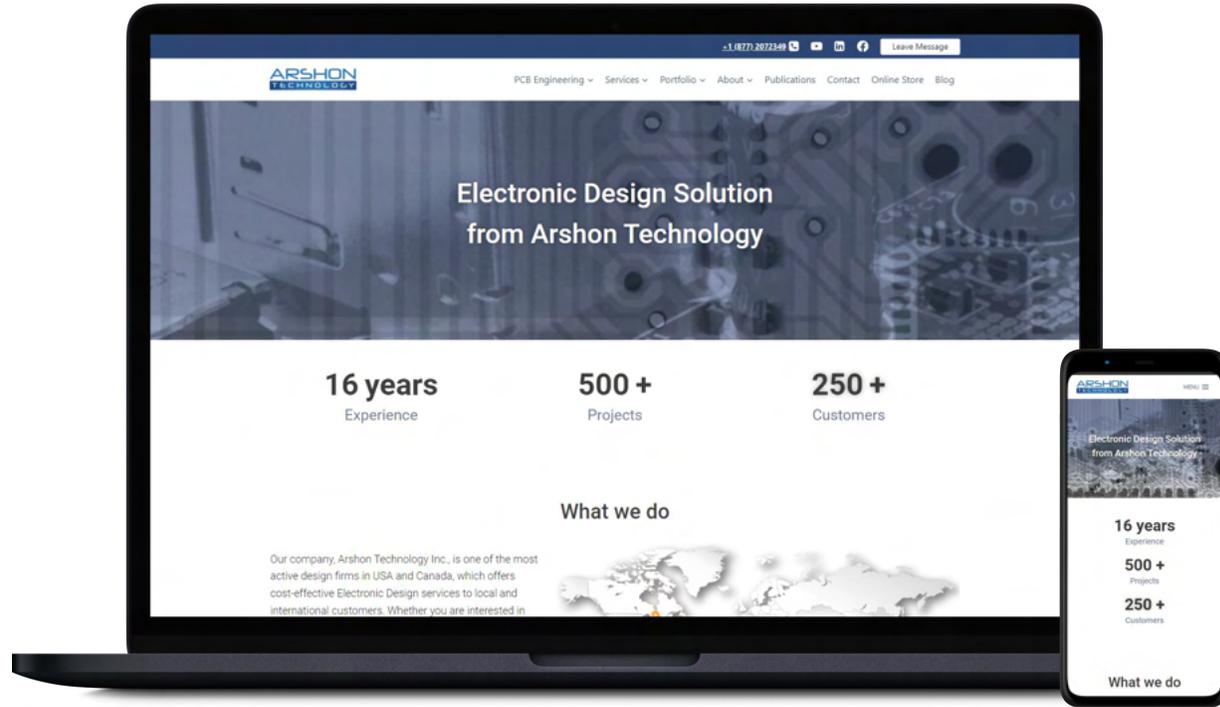

PORTFOLIO WORK

Check out my portfolio for a snapshot of my work, including website development, graphic design, and print materials. Each project highlights my expertise in creating effective and visually appealing solutions. Feel free to reach out if you'd like to learn more!

What is Life Insurance?

Life insurance is a legal contract between an insurance company and person where the insurance company obligates to pay benefits to a loved one in the event of the death of an insured person. Life insurance is the foundation of sound financial planning and it can help plan for your family's financial future. Choosing a life insurance policy is a very important and complex task and our financial professional will assess your requirements and customize a plan to fit your needs and budget.

Why Do You Need Life Insurance?

If you could ever pass away, life insurance is there to provide for your family, provide liquidity to an estate plan when you do not have it. When you have life insurance, you can:
